

Lenggong Family Trip – April 16th – 17th

Lenggong Valley in Ulu Perak is one of Malaysia's most important areas for the archaeology, as excavations have revealed many traces of Malaysia's prehistory. A UNESCO Heritage site designate, Lenggong has much to offer in history as well as natural surroundings, tasty fresh water fish/food and rural town charm. This is an opportunity to bring your family for an enjoyable weekend outing and also to catch up with your fellow eXpdc club members.
