Come join Penang eXpdc Club to BUBU LONG BEACH RESORT, Perhentian Island Malaysia.

The Perhentian group of islands is located 20 kilometres off the coast of Terengganu, a state on the East Coast of Peninsular Malaysia. The Perhentian Islands, are one of the designated Marine Parks of Malaysia. This group of Islands comprise Pulau Perhentian Besar, Pulau Perhentian Kecil, Pulau Rawa, Pulau Serenggeh, Pulau Susu Dara Besar and Pulau Susu Dara Kecil. The islands are mostly still covered by virgin jungle. Their powdery white beaches meet sapphire blue crystalline waters.

On the main island, Pulau Perhentian Besar and Long Beach on Pulau Perhentian Kecil are located most of the tourist accommodation comprising chalets, resort, hotels, dormitories and campsites. There are all the basic amenities available and these include scuba diving, snorkeling, deep-sea fishing, windsurfing, kayaking and boat trips. Adventure trails through pristine tropical jungle and spectacular coastal cliffs will be delightful to the most discerning adventure seeker. We strongly recommend those who are adventurous and enjoy the sea to join us in this trip.
