

# ***WINTER FLOWER SONATA***

## ***16<sup>th</sup> – 18<sup>th</sup> March 2012***

Let's embark on a retreat to the highlands of Yala Province, to unwind and bask in the embrace of Mother Nature.

Betong City is surrounded by mountain, resulting in cool climate with frequent fog in the morning. It is therefore dubbed 'The city in the Fog with Beautiful Flowers'. Aptly, we will be staying 2 nights in 'Winter Flower Resort' located about 15km from Betong City in the highlands, richly landscaped with plants and beautiful flowers.

### **Attraction around Betong**

#### **Betong City**

Betong City is largely developed like any other city in Thailand. Due to its close proximity with Malaysia, there's no language barrier and need for money exchange. Bargain shopping, excellent food and a vibrant nightlife are the highlights of Betong.

Is located on a hilltop in Betong City center, on the ground of Vat Phuthathiwat, Thanon Rattanakit. This chedi is built in the modern Sivijaya style, covered in gold color. It is 39.9 meters high, built to commemorate the 69<sup>th</sup> birthday of Her Majesty the Queen.

#### **Betong Hot Spring**

Is situated at Ban Charo Parrai village about 5km from town. Believed to be able to cure muscle pain and minor skin irritation. Accommodation is available here.

#### **Winter Flower Garden**

We are staying right here. See for yourself!.
